

Vision And Mission

To be an institution of excellence in higher education that continually responds to the changing social realities through the development and application of knowledge, towards creating a people-centred and ecologically sustainable society that promotes and protects the dignity, equality, social justice and human rights for all, with special emphasis on marginalised and vulnerable groups

In pursuance of its vision, the university organizes teaching programmes to facilitate the development of competent and committed professionals for practice, research and teaching; undertakes research; develops and disseminates knowledge; and reaches out to the larger community through extension, at the local, regional, national and international levels
