CIRCULAR

The Secretary, UGC in the letter dated: 16.08.2016 has stated that Ministry of Human Resource Development, under its National Mission on Education through Information and Communication Technology (NMEICT), has entrusted IIT Kharagpur to host, coordinate and set-up National Digital Library (NDL) towards building a national asset. The objective of the project is to integrate all the existing digitized and digital contents available with different institutions. More specifically, it is to provide a single window access with e-learning facility to different groups of users ranging from primary to higher education.

NDL will harvest metadata and contents from all the Institutional Digital Repositories (IDR) & other digital library initiatives & NMEICT projects in the National Digital Library Server so that the e-contents can be searched and accessed in the full-text by the users through a single window.

Please note that following can be accessed from single window of NDL:

- Educational material ranging from primary to post-graduate levels,
- More than 40 types of learning resources,
- 13,00,000+ items authored by 1 lakh authors,
- Items in more than 70 languages.

The Chairpersons / Coordinators / Directors of PG Departments / Centers and the Principals of affiliated colleges are requested to advise the students of their respective PG Departments / Centers and colleges to register themselves on the NDL Portal at <http://ndl.iitkgp.ac.in>
