REGULATIONS GOVERNING ADMISSION TO UNDER-GRADUATE DEGREE/ CERTIFICATE AND DIPLOMA PROGRAMMES UNDER CHOICE BASED CREDIT SYSTEM (CBCS)

Preamble

The University Grants Commission (UGC) has stressed on speedy and substantive academic and administrative reforms in higher education for promotion of quality and excellence. The Action Plan proposed by UGC outlines the need to consider and adopt Semester System, Choice Based Credit System (CBCS), and Flexibility in Curriculum Development and Examination Reforms in terms of adopting Continuous Evaluation Pattern by reducing the weight-age on the semester-end examination so that students enjoy a de-stressed learning environment. Further, UGC expects that institutions of higher learning draw a roadmap in time bound manner to accomplish the above. In this context the University had already introduced CBCS System for Post Graduate Courses. The CBCS is now extended to under graduate programmes from the year 2016-17 onwards in a phased manner.

The Government of Karnataka has initiated radical reforms to promote quality and excellence in higher education and research through several new initiatives which includes uniform regulations for admission to undergraduate, common calendar of events including conduct of examinations and declaration of results. The vision of the Government is to groom young students such that they are equipped with the latest knowledge and well honed talents to serve the society. This ensures inclusive education and development of the underprivileged of the society. The Government promotes higher education Institutions to march forward to achieve world class standards. Hence this regulation for CBCS pattern was prepared by representatives of all the Universities of Karnataka under the auspicious of Karnataka State Council for Higher Education.

Vijayanagara Sri Krishnadevaraya University is keen to embrace this new model of curriculum at under graduate level beginning from the academic year 2016-17. Hence the new regulations.
