Green Campus Policy

With effect from May 2022, Revision:0

Green Campus Policy

Vijayanagara Sri Krishnadevaraya University, Ballari envisions a clean and green campus where green practices and professional education are blended to enhance and exhibit the relationship with nature. This will have an impact on the eco-friendly ambiance. The green campus policy offers the university a prospect to take the lead in green culture by promoting environmental ethics among the stakeholders and generating eco-consciousness through the following objectives,

- To secure and enhance the biodiversity in the campus by afforestation.
- Restricted entry of automobiles, promoting the use of bicycles, e-vehicles, and provision of pedestrian-friendly pathways.
- To record baseline data for progressive assessments of an eco-friendly environment.
- Ban the use of single-use plastic and implement an efficient and effective waste management program.
- To create awareness among stakeholders for green culture.
- Conduct green audits at regular intervals and implement suggestions toward creating a green campus.

Note: The policy is subject to periodic review
