Report on KSTA PG Lecture series in chemistry

The KSTA Sponsored PG Lecture series was conducted by inviting eminent resource persons from premier research institutes & industries. This workshop provides a platform for the PG students as well as research scholars to know the latest developments in the advanced research fields and it also provides an opportunity for students to interact with resource persons which will motivate students to take up research career

The two day workshop was conducted on 28.04.2022 and 29.04.2022 at Dr. B. R. Ambedkar hall of VSK University, Ballari. Both students from chemistry and industrial chemistry department as well as students from PG centre and affiliated colleges and research scholars attended the workshop. There were more than 200 participants. The workshop was inaugurated sharply at 10:00 AM by Honorable Vice chancellor Dr. Siddu P Alagur. In his remarks he thanked the KSTA & resource persons and informed the students to make use of the eminent resource persons to full extent.

On day One, Prof. Vasudeva Siruguri, former director UGC DAE, Mumbai delivered the lecture on Mossbauer spectroscopy which was well taken by students Mr. Ratnakar Bonda, Deputy Manager, Quality control Assurance, JSW, Toranagallu, Ballari. Delivered lecture on Six sigma concept and total quality management

On day Two, Dr. Mohammad Mustafa, IISER, Pune, delivered a motivating lecture on latest developments in Electrochemical energy systems. Dr. Sasidhar, CSIR National Institute for Inter Disciplinary science and technology, Trivandrum delivered lecture on synthesis of natural product based heterocyclic compounds for pharmaceutical and neutraceutical applications. Mr. Srinivasa Rao. General Manager, Quality control, Micro Labs, Bangalore delivered lecture on analytical R & D.

The workshop was successfully completed with students participating actively and interacting with resource persons
