

5.1.3 Following Capacity development and skills enhancement initiatives are taken by the institution

1. Soft skills
2. Language and communication skills
3. Life skills (Yoga, physical fitness, health and hygiene)
4. Awareness of trends in technology

Options:

- A. All of the above
- B. Any 3 of the above
- C. Any 2 of the above
- D. Any 1 of the above
- E. None of the above

VIJAYANAGARA SRI KRISHNADEVARAYA UNIVERSITY, BALLARI.
DEPARTMENT OF STUDIES IN MATHEMATICS

INVITATION

Staff, Research Scholars and Students of Department of Studies in
Mathematics Cordially invite you for

 **MathWorks** | *Training Services*

MATLAB WORKSHOP SERIES

to be held from **1st to 3rd March 2023**

Time: 10:30 a.m. to 05:00 p.m.

Venue: Department of Studies in Mathematics
Science Block, Computer Lab.

**Staff, Research Scholars and Students Department of
Studies in Mathematics, VSKUB.**

Date: 01.03.2023

GRAPHIC AND DESIGNING

COURSE OBJECTIVES

This course is designed to:

- Introduce students to graphic designing and layout
- Use of digital technology and software used in graphic designing
- Importance of graphics in communication process

LEARNING OUTCOMES

After completion of this course students should be able to:

- Create an effective layout and designs for newspapers and magazines.
- Make use of skills and techniques of graphics designing.
- Use Two Dimensional Design

COURSE CONTENTS

UNITS	TOPIC	CONTENTS	L	T	P
1	Basics of Computer	Hardware, Software Operating System Office Automation Tools	02		
2	Basics of Graphic And Design	Understand the graphic and design Text images and Visual tools	03		
3	Design For Print	Typography, News print layout, Magazine layout Publicity design	02		
4	Design For Electronic and Print media	Graphic and motion images, Using Graphics for Online Marketing	03		20
Total contact hours			30		

DISCUSSIONS:

- Tools, techniques and principles of graphic designing
- Use of software for graphic design
- Use of printing & publishing technology used in contemporary media industry

Date: 09.03.2023

The Department of English in association with the Disability Empowerment Cell, organized a special lecture on **09th March 2023** entitled as '**Preparation for Competitive Exams and Career**'. The lecture was open to all students, and aimed to provide guidance and support to students who are preparing for competitive exams and seeking employment opportunities.

The lecture was delivered by Dr Sunil Kumar M. S Coordinator, Career Counselling Cell and expert in competitive exam preparation. He provided valuable insights into the strategies and techniques required to excel in competitive exams, and shared tips and tricks for effective time management and study habits. The lecture also included an interactive session where students were able to ask questions and receive personalized guidance on their career aspirations.

The interactive session provided an opportunity for students to receive personalized guidance on their career aspirations. The counsellor provided practical advice on resume writing, job interviews, and networking, and encouraged students to develop a strong personal brand and professional network.

Overall, the lecture was a valuable opportunity for students to receive guidance and support on their career aspirations. The Department of English and the Disability Empowerment Cell demonstrated their commitment to supporting students with disabilities and ensuring that they have equal access to career opportunities. The lecture was a success, and the feedback from students was overwhelmingly positive.

Dear Sir,

I am writing to request your service as a resource person for an upcoming event that the Department of English in association with Disability Empowerment Cell will be organising. As an expert, we believe that you would be the ideal person to provide insights and valuable knowledge to our students.

The event is scheduled to take place on 9th March 2023 at 11.00 am and will be held at the Department of English. It will be attended by all the students, faculty members and enthusiasts who are interested in competitive exams. Your experience and expertise in this area would be greatly appreciated.

I look forward to your favourable response and the opportunity to work with you.

Sincerely,

Dr. Santhosha G. K.

Organizer and Coordinator, Disability Empowerment Cell

5.1.3

As part of the street play workshop and Social Awareness Street plays performing, in the performing Arts in the city of Ballari on 11-03-2023 Students of Performing Arts and Drama have created social awareness through their performance like street plays. Street plays are a powerful medium to impact the public and the Election Commission this time has opted for this form of street theatre to make the electorate in Karnataka know its responsibility. Aimed at creating awareness among the public about elections and voters' rights, street plays with voters' rights and their importance as their pivot were staged at the Vijayanagara Sri Krishnadevaraya University And Ballari Rural space in performing Arts studentes was preforming a Drama "Namagu ondhu kala" this street play Directed our department guest faculty dr.sahana.pinjar.

The street play, which is getting a positive response will be organized at the various prominent spots across the Ballari town. It is a part of "Namagu ondhu kala" play is campaign, which will continue till the end of the last phase of assembly elections to spread awareness among the masses about the importance of voting. The street play helps in waking up people from deep slumber and also bars wrong political parties from coming to power thereby preventing wrong policies and corruption. This leaves a deep impact on the minds of citizens.

minerals@vskub.ac.in

List of students benefited by career counselling and guidance for competitive examinations offered by the Institution during the year.

Preamble:

In the fast-evolving field of mineral processing, engineers must harness advanced tools and technologies to enhance efficiency, precision, and innovation in their work. AutoCAD, a leading computer-aided design (CAD) software, has become indispensable in industries that rely heavily on complex design, drafting, and visualization tasks.

For mineral processing engineers, mastering AutoCAD not only streamlines the design and optimization of processing plants but also empowers them to create detailed 3D models, analyze equipment layouts, and simulate workflows. By integrating AutoCAD into their skillset, mineral processing professionals can enhance their technical capabilities, improve collaboration with multidisciplinary teams, and stay competitive in an increasingly digitalized industry. Ultimately, AutoCAD offers mineral processing engineers a versatile platform to drive their career growth by enabling them to tackle complex projects with confidence and precision. In this view the following students were trained for Auto Cad software for a period of one week at PDIT Hospet.
