21ECO2C9L

M.A. II Semester Degree Examination Sept./Oct. - 2024
ECONOMICS
(DSC and DSE)

Research Methodology

(NEP)

Time : 3 Hours   Maximum Marks : 70

Note :   Answer **any five** of the following questions, each question carries **equal** marks. Question No. **1** is **compulsory**.

---

1. Critically examine types of approaches used in Research work.   **14**

2. Discuss various stages of modelling in analysing Economic data.   **14**

3. Define Sampling and critically assess Probability Sampling.   **14**

4. Explain Data analysis and Methods of Data analysis.   **14**

5. Describe various steps in Report writing and its significance.   **14**

6. Explain different Non Probability Sampling Methods that are involved in research   **14**
    work.

7. What is scaling ? Assess different scaling techniques that statistics provides.   **14**

8. (a) What are errors in hypothesis testing ?   **5**
    (b) Explain types of errors.   **5**
    (c) Define three levels of significance relating to errors.   **4**
