Basis for Preparation of the Seniority List

The seniority list for the cadres of **Assistant Professor, Associate Professor, Professor and Senior Professor** has been prepared with reference to the **Karnataka Government Servants' (Seniority) Rules, 1957, as amended up to January 2006**, and the applicable recruitment and promotion provisions governing the University faculty cadres.

The following principles have been applied:

1. Direct Recruitment

In the case of direct recruitment to the posts of Assistant Professor, Associate Professor and Professor, seniority shall be determined on the basis of the **merit list approved by the Syndicate**.

Where two or more candidates are appointed through the same recruitment process, their inter-se seniority (relative seniority among two or more employees within the same cadre or group) shall follow the order in which their names appear in the Syndicate-approved merit list. This principle is consistent with **Rule 5(1) of the Karnataka Government Servants' (Seniority) Rules, 1957**, under which the seniority of direct recruits is determined according to the order of merit assigned by the competent appointing or selecting authority.

2. Direct Recruits and Promotees Appointed on the Same Date

Where direct recruits and promotees are appointed to the same cadre on the same date, the direct recruits shall take precedence over the promotees, in accordance with **Rule 3 of the Karnataka Government Servants' (Seniority) Rules, 1957**.

3. CAS Promotion Where the Eligibility Date Is the Same

Where two or more faculty members are promoted under the **Career Advancement Scheme (CAS)** to the same higher cadre and their **eligibility date** for promotion is the same, their inter-se seniority in the higher cadre shall be determined on the basis of their seniority in the immediately preceding cadre.

Where promotions are made at the same time on the basis of seniority-cum-merit, the inter-se seniority of the promotees shall be determined with reference to their seniority in the lower cadre, in accordance with **Rule 4(i) of the Karnataka Government Servants' (Seniority) Rules, 1957**.

Accordingly, where the CAS eligibility date is the same, the seniority established in the previous cadre shall be carried forward for determining inter-se seniority in the higher cadre. In the case of direct recruits, such previous-cadre seniority shall include the seniority determined on the basis of the Syndicate-approved merit list.

Case Illustration

If **A and B** were appointed as Associate Professors on **02-04-2023**, and **B was senior to A** in accordance with the Syndicate-approved merit list, and both became eligible for promotion under CAS to the post of Professor on the same date, namely **01-04-2026**, then **B shall remain senior to A in the cadre of Professor**.

This principle shall apply irrespective of the dates on which their individual promotion orders are issued, provided that:

- Both faculty members were eligible for promotion on the same date;
- Both promotions relate to the same CAS eligibility date; and
- Both promotions were otherwise validly made in accordance with the applicable recruitment and promotion provisions governing the University faculty cadres.

5. CAS Promotion Where the Eligibility Dates Are Different

Where the CAS eligibility dates of two or more faculty members are different, their seniority in the higher cadre shall ordinarily be determined with reference to the applicable eligibility date and effective date of promotion, subject to the **Karnataka Government Servants' (Seniority) Rules, 1957, as amended up to January 2006**, and the applicable recruitment and promotion provisions governing the University faculty cadres.

6. Joining After the Prescribed Period

Where a direct recruit assumes charge after the period prescribed under the applicable service rules, seniority shall be reckoned from the date on which the individual actually assumes charge, in accordance with **Rule 5(2) of the Karnataka Government Servants' (Seniority) Rules, 1957**, read with the applicable provisions of the **Karnataka Civil Services (General Recruitment) Rules, 1977**.

7. Basis of Records

The seniority list shall be read together with the following records:

- The Syndicate-approved merit lists;
- Appointment orders;
- Joining reports;
- Eligibility assessments;
- CAS promotion orders;
- Effective dates of promotion; and
- Other relevant service records.

Any discrepancy or dispute arising from these records shall be examined and decided by the competent authority with reference to the **Karnataka Government Servants' (Seniority) Rules, 1957, as amended up to January 2006**, and the applicable recruitment and promotion provisions governing the University faculty cadres.

This formulation ensures that the **Syndicate-approved merit order governs the initial seniority of direct recruits** and that, where two or more faculty members have the **same CAS eligibility date**, their established seniority in the immediately preceding cadre.
